

D4-EXECUTIVE SUMMARY

Government of Uttar Pradesh envisions to promote “Bareilly” of the state by enhancing city’s comprehensive development of physical, institutional, social and economic infrastructure in accordance with modern and innovative Urban Planning principles. Since every city beholds unique characteristics and challenges, the Vision plans will provide the development direction by understanding these characteristics of the city.

The purpose of Vision Plan is to drive economic growth, improve the quality of life of people by strengthening city's inherent potentials. augmenting existing infrastructure and plan its growth which is sustainable and resilient in nature.

Key objectives of the Vision Plan are:

- Preparation of Vision plan to promote long term growth & development of the city.
- Adopting comprehensive development approach for the city to Improve quality of life, creation of employment, boost regional development. improved socio-economic and financial planning to guide city's planned expansion in the future.
- Preparation of City's Business Plan and identification of projects of importance that can be developed through private sector participation.
- Identification of programmes, stakeholders, institutional arrangements and resource requirements adopting project structuring mechanism.

In order to undertake such envisaged development of the city and create a blueprint to meet the objectives of holistic, sustainable and planned development, Government of Uttar Pradesh envisages to prepare the Vision, Implementation strategy and integrated infrastructure plan for “Bareilly” in Uttar Pradesh which will pave the way in further for Project Development, Management & Project implementation support.
