

D7-EXECUTIVE SUMMARY

Bareilly is the fourth largest city in Uttar Pradesh located on the Ramganga River, serves as a gateway to the state of Uttarakhand. It is located on the National Highway 30, which connects Uttarakhand's Sitarganj with Andhra Pradesh's Vijaywada. The 2040-kilometer (1267.5-mile) highway begins at the NH 9 junction at Sitarganj and runs through Bareilly. Bareilly is connected to Pilibhit by National Highway NH30 and Shahjahanpur by NH730C on the east. National Highway 530B passes to the west of the city and connects the Badaun district. It is connected to the national capital New Delhi with NH530 till Rampur and with NH9 from Rampur to New Delhi passing through Moradabad. In the north lies Nainital which is connected with State Highway 39 till Kichha and with National Highway 109. It has 6 railway station and army air base.

Due to cluster housing, areas adjacent to the Market Centre and historic area have intensive development. Due to a lack of organised growth, this area is under development pressure. Housing typology in Bareilly city can be categorised as low density low rise type of housing except for the core area where housing typology is high density low rise.

To “Drive economic Growth, Improve Quality of life by Strengthening city’s inherent potentials, augmenting existing infrastructure and plan its growth which is sustainable and resilient in future.” 22 projects have been identified and 14 are actionable projects.

After the discussion with Divisional Commissioner and various stakeholders on the total identified projects the following projects were discussed for the further working:

Table 0-1 Project list finalized and endorsed by Mandal Commissioner on 13th July 2022
